

Change pen colors each time you get through the serving order, alternating between black/blue to red.

When serving team does not score, mark R in circle and mark a slash on the opposing team's running score.

When serving team scores, place number of point in circle and circle that same point on that team's running score.

When the libero (different color jersey than rest of team) serves, put a triangle over the serving position and triangles (instead of circles) when they serve.

SUBSTITUTIONS
 • When serving team subs, list as follows: S 13/3.
 • When receiving team subs, list as follows on serving team's side of scoresheet: Sx 13/8.
 • Slash through player subbed out in serving order and list the new player.
 • End by marking the running total of subs at bottom of scoresheet.

SANCTIONS
 • On an improper request, circle IR, indicate which team and the score (with offending team's score first).
 • On cards, list number of offender (or Coach) in appropriate box, indicate which team and score (with offending team's score first).
